4 ON THE FOURTH ROAD RACE (for first-session campers only)

On July 4th, many of our campers, even the younger ones, participate in the annual 4-mile road race held in nearby Bridgton. The entry fee is \$16, which includes a race t-shirt. This fee will be billed to your camper's account. (Please note that many campers run/walk the course with their friends, and approach the race more as a social event than a strictly athletic one.) Because the 4th of July falls so soon after camp begins, we need to know now whether or not your child will participate. Please decide if your camper will run in the race this summer, and if he or she will participate, please select a t-shirt size.
