We hope that you can join us for a Newfound-Owatonna camp show to hear about the one-of-a-kind summer adventure that Camp can provide. Bring your friends, family, and questions! Owatonna Director, Reid Charlston, will be on hand to talk about all the opportunities and benefits of a summer on the shores of Long Lake in Maine. Lunch will be provided!

We want everyone to be able to attend Camp!

Campership aid is available. Visit the Campership Fund at www.campershipfund.org for more information.

“Camp is one of the best experiences I’ve had, and I can’t imagine my life without it!”

Spend the summer sleeping under the stars, cooking s’mores over a campfire, and making memories and friends to last a lifetime!

We have a program just for you!
